

PROJECT INFORMATION

Project Number:	872360
Project Full Title	ETHNA System. Ethics Governance System for RRI in Higher Education, Funding and Research Centres
Project Acronym	ETHNA System
Funding Scheme	SwafS
Call identifier:	H2020-SwafS-2019-1
Start Date of Project:	01/01/2020
Duration:	36 months
Project Website:	ethnasystem.eu

DELIVARABLE INFORMATION

Deliverable N°	D1.2.
Deliverable Title:	Overview of events
WP Number	WP1
Lead	Universitat Jaume I (UJI)
Contributing Partners	All partners
Related Task(s):	T.1.1. – Coordination and project management
Type:	Report
Author(s)	Rosana Sanahuja
Due Submission Date:	31/03/2020
Actual Submission:	30/03/2020

DISSEMINATION LEVEL

PU	Public
-----------	--------

ABSTRACT: This deliverable includes information (title, date, location, content) on significant events (conferences, seminars, workshops) which will be organised by the project as well as external events that can be of interest.

This project has received funding from the European Union's Horizon 2020 research and innovation program under grant agreement N° 0 872360

VERSIONING AND CONTRIBUTION HISTORY

VERSION	DATE	MODIFIED BY	MODIFICATION REASON
1.0	16/03/2020	Rosana Sanahuja	First Version

This project has received funding from the European Union's Horizon 2020 research and innovation program under grant agreement N^o 1 872360

Table of Content

Versioning and Contribution History	2
Table of Contents	3
1. Executive Summary	4
2. Over events table	5

This project has received funding from the European Union's Horizon 2020 research and innovation program under grant agreement N^o 2 872360

1. Executive Summary

Deliverable 1.2. Over Events collects information (title, date, location, content) on significant events (conferences, seminars, workshops) which will be organised by the project as well as external events that can be of interest. Therefore, this information ETHNA System project will provide a report each reporting period and this would be coordinated and integrated in the dissemination Plan.

For the elaboration of the over events, the collaboration of all the partners has been requested, elaborating a joint working document. The main information is collected in this deliverable in table form.

The first version of this deliverable should be submitted by M3. Subsequently, the second version will be delivered on the M15 and the third on the M36.

2. Over events table

Title	Dates	Location	Content	Changes by the Covid-19
EARTO- Annual Conference	25-26 March 2020	Barcelona, Spain	Embracing RD&I transformational effects to decarbonise the EU economy and support European industry's competitiveness.	It is postponed to next year (date to be announced)
AFRICAN AND EUROPEAN EXPERIENCES IN RESPONSIBLE RESEARCH & OPEN SCIENCE: TOWARDS A COMMON VISION?	17-18 March 2020	Cape Town, South Africa	Bioethics and RRI. Is it possible to work together in these fields between Africa and Europe?	It has been cancelled
STARBIOS2 - RESPONSIBLE RESEARCH AND INNOVATION IN BIOSCIENCE (Final event)	27-28 April 2020	Brussels, Belgium	It is the conclusion conference of the Starbios2 project. It talks about RRI in general	There are no changes yet but is probably that they change the date or cancel it
XI Congr�s CIDUI 2020	1-3 July 2020	Hospitalet de Llobregat, Spain	It deals with gender issues and the university-society relationship. It would be especially the third area that appears in this link: https://www.cidui.org/congressos-cidui/xi-congres-cidui-2020/tematica-i-ambits/	There are no changes yet
RRI for Real Shaping the future of Open Science & society relations	19-20 March 2020	Rome, Italy	Relationship between open science and society. It's an analysis about RRI in society	They postponed. They even don't know when but they are talking to change it for 29-30 April 2020. To be confirmed

Participatory methods for gender equality	16 April 2020	Vienna, Austria	Achieving gender equality through participatory techniques	It is postponed. Further information will be provided in due course.
Bridging between scientific disciplines: Citizen Science & Open Science as a way to go a session of the EGU General Assembly 2020	3-8 May 2020	Vienna, Austria	In the session organizers want to ask and find answers to the following questions: Which approaches can be used in Earth, Planetary and Space Sciences? What are the biggest challenges in bridging between scientific disciplines and how to overcome them? What kind of citizen scientist involvement and open science strategies exist? How to ensure transparency in project results and analyses?	EGU changes the physical conference to online conference but it will be different. For more information: https://www.egu2020.eu/
Open Innovation in Science Research Conference 2020	7-8 May 2020	Geneva, Switzerland	The conference aims at discussing research on OIS, which includes investigating whether, how, and under which conditions applying open and collaborative practices along one or more stages of the scientific research process influences novelty, efficiency and/or impact of scientific research, taking a balanced view that recognizes important contingency factors on the individual, organizational and ecosystem-level.	They will probably set the new dates on this fall or in 2021 spring

DigiTranScope Spring Institute: Governance of Digitally Transformed Societies	11-15 May 2020	Fiesole, Italy	The core topics that are of interests for us: data governance because of the inequality access to all data by all parts of the society, and Digital Empowerment and Social Inequalities that ask to all participants to give an answer to how we have to develop digital transformation but minimizing the inequalities. They also talk about policy makers.	There are no changes yet
PCST 2020 Public Communication of Science & Technology 2020	26 - 28 May 2020	Aberdeen, Scotland	Science communication is excitingly situated at the intersections of disciplines, cultures and communities.	They will probably change the dates between March-April 2021
Eu-SPRI 2020 conference New Horizons for Science, Technology and Innovation Policies	3-5 June 2020	Utrecht, The Netherlands	This year's conference theme: NEW HORIZONS. The key objectives of the conference are to provide a forum for scholars in the areas of research and innovation policy analysis to exchange ideas, and to present findings across disciplinary boundaries.	It has been cancelled
The ISPIM Innovation Conference 2020 "Innovating Our Common Future"	7-10 June 2020	Berlin, Germany	Some topics that could interest ETHNA system: Responsible Innovation, Social Innovation, Transferring Knowledge for Innovation. Submissions on the focus themes of values-based and sustainability-oriented innovation are particularly sought, but the deadline is expired	There are no changes yet but it probably change in the future. Stay informed
SRI2020 Sustainability Research & Innovation 2020	14-17 June 2020	Brisbane, Australia	It will be a space of fierce advocacy for sustainability scholarship and innovation, collaboration and action. SRI2020 will be a unique opportunity for diverse audiences to connect with the global sustainability community, learn about the latest sustainability science, create novel networks and partnerships, explore new ideas, gain visibility, inspire and be inspired.	There are no changes yet but it could change in the future. Stay informed

8th STS Italia Conference Dis/ Entangling Technoscience: vulnerability, responsibility & justice	18-20 June 2020	Trieste, Italy	The conference will welcome empirical and theoretical contributions addressing diverse aspects of the social study of science, technology and innovation from different disciplines and fields, such as anthropology, economics, design, history, law, philosophy, political science, psychology, semiotics and sociology	There are no plans to postpone or cancel the Conference currently.
International Conference on ICT enhanced Social Sciences and Humanities 2020	June 29 - July 01 2020	Amsterdam, Netherlands	The aim of the conference is to exchange and share their experiences and research results on all aspects of ICT enhanced Social Sciences and Humanities. In addition, the conference aims to discuss promising new ideas and identify new potential collaborators.	There are no changes yet
EASST + 4S 2020 Locating and Timing Matters: Significance and Agency of STS in Emerging Worlds	18-21 August 2020	Prague, Czech Republic	How has the world changed since 2016 when EASST and 4S met in Barcelona? Since then, efforts to frame “alternative” approaches and futures appear to have been co-opted by powerful actors. They would talk a lot of things that could be interesting for ETHNA system	There are no changes yet
2020 SMARTER Conference Smart Specialisation and Territorial Development: Connecting grand societal challenges with local goals in place-based innovation policy	30 September - October 2020	Seville, Spain	To discuss and define the scope and main avenues for future research and policy making, and to address the challenges confronting policy makers and practitioners.	There are no changes yet
18th European Week of Regions and Cities	12-15 October 2020	Brussels, Belgium	The three themes will be: Green Europe, Cohesion and Cooperation and Empowering Citizens. It is a kind of meeting of regions of all Europe to talk about those three themes but the ETHNA system could be a partner that give all regions a theoretical framework to work on them.	They have extended the date deadline to become a partner until 17 April 2020 but the conference date haven't changed
